Prior to the commencement of the meeting there were two presentations one from Mrs Toni Hammick of property Link and Mr Toy Mullen of Oxford Architects.

- Property Link presentation was a follow up to a previously given presentation to the Parish Council in respect to a building development proposal centred around the concept of RentPlus and affordable housing. It was emphasised that the presentation was a follow up to a recent promotion of Affordable Housing by Sedgemoor District Council. A large number of questions were asked and also answered.
- Oxford Architects through their representative Mr Tony Mullen gave a presentation showing what the future aspirations were for a Chinese International School based on the now disused BIBIC building at Silver Fish. Again a large number of questions were asked

The Chairman thanked both presenters who then amongst many of the public present departed from the meeting.
